### PROFESSIONAL

Tony Wimperis is an accomplished Certified Public Accountant (CPA) and a highly skilled tax director with expertise in valuation analysis. With a solid background in finance and taxation, he brings a unique blend of skills to his role, enabling him to provide comprehensive tax planning, compliance, and valuation services to his clients.

As a seasoned professional in public accounting, Tony has developed a deep understanding of tax regulations and legislation. He specializes in providing strategic tax planning solutions for individuals, businesses, and organizations across various industries. His expertise spans areas such as real estate, construction, manufacturing, distribution, not-for-profit entities, and high-net-worth individuals.

In addition to his tax proficiency, Tony is a Certified Valuation Analyst (CVA). This additional qualification allows him to provide expert insights into the valuation of businesses, assets, and investments. By combining his tax knowledge with valuation expertise, Tony offers a unique perspective to his clients, enabling them to make informed financial decisions and optimize their overall financial positions.

Throughout his career, Tony has been recognized for his exceptional attention to detail, analytical skills, and dedication to delivering excellent results. Tony is known for his ability to easily navigate complex tax regulations and valuation methodologies, ensuring that his clients receive accurate and comprehensive guidance.

### EDUCATION

Tony holds a Bachelor of Science in Accounting and Economics from Babson College and a Master of Science in Taxation from the University of New Haven.
